

INTERRACIAL RELATIONS..

November 29, 1945.

During our last meeting on November twenty-ninth we discussed the following topics: 1) Giving a Christmas party for the Negroes at the County Home. 2) Making stuffed animals for the Negro Nursery. 3) Contributing ten dollars to the Winter Park Interracial Committee to cover their deficit. A representative from our group attended the last Interracial meeting in Winter Park on Wednesday, November twenty-eighth, and a different girl will be sent each month. The work at the Hungerford school, painting their dining-room tables and chairs, will be completed by the ninth of December. An Interracial meeting, composed of students from the Negro highschool and members of our group, was held Friday, November thirtieth in the Council room to discuss the subject "Labor in the Post- War World".
