Dear Jack:

Please be kind enough to read the enclosed correspondence. I feel this will give you a better grasp of what this Rollins Week has been about.

I would also like to take this opportunity to thank you for the encouragement you have afforded me as one of your subordinates - generally, and particularly what you have done for our black students on this campus and in the community.

While the week was not a 100% success, I would like to share with you my recommendations for improvements at some date in the future, after I have settled down and am prepared to offer alternatives. Take care -  
Right Onwardly,
