

British drama seminar planned for winter of '74

A 1974 winter term British drama and theatre seminar is under consideration.

Dr. West T. Hill, who has conducted two summer British theatre seminars, plans to organize the winter session in much the same manner. Students will attend daily seminars with prominent British theatre directors, actors, critics and writers. They will also make regular visits to places of

theatrical interests: scene shops, costume rooms, television stations and backstage to talk with designers, technicians and producers.

Cost of the seminar will include approximately 15 tickets to plays in and around London.

Tentatively planned for the term are four weeks of concentrated theatre study followed by two weeks of free time, when

students will be given the opportunity to travel through Scotland and Ireland or even nearby Paris.

Dr. Hill specifically stated that the seminar would not be open only to drama majors; any student is invited to take part in the '74 winter program.

Students interested in finding out more about the proposed seminar should contact Dr. Hill in Doherty 401.

Advisory Board condemns 'White Sheets' dispute

A housing act, pet regulations, 24-hour visitation -- the agenda for this week's Advisory Board meeting resembled most of its past agendas. The major addition and focus of attention, however, was the "White Sheets" con-

troversy, so termed by Ollie Taylor.

The term is a reference to the incident at last week's Deke-BSU basketball game, and the events that followed it. Included in the discussion was the "symbolic

confrontation" of the Dekes by members of the BSU as they sat at the "Deke" tables in Cowan last Wednesday.

The not-so-symbolic confrontation which occurred, in which a Deke was slightly injured when a member of the BSU struck him with a glass, was Taylor's primary concern. He asked the Advisory Board for suggestions on how to prevent the occurrence of similar incidents in the future.

The answer to his question, as one member of the board stated, lies in the "sensitive awareness" of each individual. According to David Ourisman, "You can't legislate something like this. It's a human problem and it has to be

Gardenia Weekend begins right now!

Gardenia Weekend officially begins tonight at 8 p.m. with a talent show in the Hangout. Following the talent show -- "Centre Stage" -- there will be an informal dance in Sutcliffe. The dance, from 10 p.m. to 1 a.m., will feature the band Natural High. An admission charge of 50 cents for the talent show and dance, or 25 cents for the dance alone, will be collected.

The more formal Gardenia festivities take place tomorrow night, when the traditional Gardenia Dance, completed with coronation of a Queen, begins at 9 p.m.

The court of five freshman women and the Gardenia Queen will be chosen from among the following: Holly Taylor, Melanie

Murphy, Michele Reck, Patty Heyward, Kathy Clayton, Pat Holton, Mary Logan, Rosy Van Heest, Karen Haswell, Suzi Spalding, Ramona Graves, Betsy Robertson, Patti Scott, Marion

Applications for editors available

Applications are available from Dr. Paul Centrell in Doherty 243 for the positions of editors of the Cento, Vantage Point and Olde Centre and business managers of Olde Centre and the Cento.

The deadline for returning the completed applications is Wednesday, March 28.

GARDENIA WEEKEND -- The girls are asking the guys, and one of the highlights of the turnabout weekend is a dance Saturday night featuring the Wulfe Brothers. The dance will begin at 9 p.m. in Sutcliffe. During one of the band's intermissions, the Gardenia Queen and her court will be named.

UP . . . UP . . . AND AWAY -- Spring is officially here, and freshman Nancy Baelmer makes the most of the beautiful outdoors with the help of a kite, floating in the sky to greet passers-by in front of Cowan.

SC appoints Lewis to repair machinery

Maintenance of machinery took up most of the discussion time at Wednesday's student Congress meeting. The SC heard

a suggestion by Dean Reckard that a single college authority be designated to deal with problems concerning equipment such as washing machines, dryers, vending machines and televisions. Realizing that the maintenance of these machines has been a frequent headache, the Congress passed a motion designating Henry Lewis, director of the physical plant, to help iron out any difficulties.

Debbie Underhill brought up a motion which would clarify and limit the first priority on the van now held by the cheerleaders. The Congress unanimously agreed to limit the cheerleaders to a specified period of use rather than unlimited priority.

A referendum to be released next Thursday also was discussed. Included on this student opinion survey will be topics such as athletic scholarships, convocation requirements, parking lot security, future of machines (washers, dryers, televisions, etc.), place of commencement and the worth of graduation gowns.

Food survey: it ain't lookin' good

Three-hundred Centre students got mail one day -- a survey of food service in Cowan. Although only a little more than half -- 158 to be exact -- have responded, things aren't looking too good for Saga.

More than three-fourths of those questioned replied that the quality of the food service has not

Student Congress

(Cont. from Page 1)

The Budget Committee recommended that a set rate of three dollars to Louisville and two dollars to Lexington be fixed for shuttlebus passengers. The Congress accepted this proposal and it will go into effect immediately.

After the Congress accepted a report by the Radio Commission on the possibility of operating a station at Centre (they concluded it was not feasible at the present time), the motion to adjourn carried unanimously.

improved since November, a time when the grips were first heard loudly and clearly. Only 18.4 per cent considered the quality of the food to be improved, with 5.1 per cent not responding to the question. (That bad?)

The quality of the food is not the only thing mediocre about Cowan. Responses also show that the service of the food has failed to improve in the last four months. A total of 44.9 per cent answered "not at all" to this question. However, 43.7 per cent said that there has been marginal improvement. Only 6.3 per cent noted a marked improvement and 5.1 per cent did not answer.

Cleanliness -- or lack of it -- of the silverware was also attacked via the survey responses. A tally of the answers shows that 62.7 per cent consider silverware to be "poor" in regards to cleanliness, as compared to a mere .6 per cent who judged it "excellent." Rating it "acceptable" were 33.5

per cent. Three and one-fifth per cent left the question blank.

At least the attitudes of the workers is acceptable, according to 61.4 per cent. Attitudes were judged excellent by 13.9 per cent, poor by 22.2 per cent. Two and one-half per cent didn't respond.

The appearance of tables are acceptable to a little more than half -- 53.8 per cent -- as compared with 5.1 per cent who consider this area of supportive services excellent and 36 per cent who call it poor.

A like percentage -- 53.8 per

cent -- also consider the availability of condiments acceptable. There were 8.9 whose response was "excellent," and 34.8 per cent who called it "poor."

All in all, nobody seems too happy.

Advisory Boards Condemns

(Cont. from Page 1)

solved by human means."

An "Act Relating to Housing Options and Changes in Residences" was the only actual resolution to come before the Advisory Board.

Part I of the act calls for "consultation and review" in the spring of each year concerning the residences to be assigned for the following school year.

Part II is a direct outgrowth of

the recent misunderstanding in regard to the Black Cultural Lounge in Yerkes basement. It calls for consultation with the residents of any housing unit before making alterations in the unit, except those necessary for "health and safety, physical maintenance, or numerical balance due to space limitations."

No action was taken on this resolution. The other items on the

agenda, a revision of the pet regulation and a proposal for 24-hour visitation, were also tabled for further review.

Two additional items -- a petition requesting that the use of caps and gowns at graduation be optional rather than mandatory, and a matter concerning the disposal of confidential records from the Judiciary -- were moved to the agenda for the Board's next meeting.

'Racial Unrest' convo Tuesday

Professor George Shepperson of the University of Edinburgh will be the convocation speaker at 7 p.m. Tuesday when he discusses "Racial Unrest in Africa."

Professor Shepperson's special field is British colonial history but in recent years has been devoting much time to modern or contemporary African development. He is in the country to attend a conference in

Shakertown on Contemporary British Constitutional Development. Although the conference is usually closed to students, Mike Beiting will be in attendance as a representative of Centre.

Professor Shepperson will be on campus several days to speak to selected classes. His convocation will be presented in Sutcliffe Hall.

The **Cento** is looking for an **Editor.**

Vantage Point

Olde Centre

The Publications Board is now accepting applications for Editors and Business Managers of the Cento, Vantage Point and Olde Centre.

Applications may be obtained from Dr. Paul Cantrell, Doherty 243.

Deadline for returning applications is March 28.

Gardenia

(Cont. from Page 1)

Haertel and Diane Frazier.

The Wulfe Brothers will provide the music for Saturday night's semiformal dance. Centre students will be the guests of the freshman women at the event.

The announcement of the Gardenia court and the coronation of the Queen will take place during a break in the band's performance. The queen and her court of five will be chosen by the freshman men. Dr. Cavnes is to perform the coronation.

Following the dance, Cowan will serve an informal breakfast from 1 to 1:30 a.m.

Gardenia Weekend activities are open to all Centre students, with or without dates.

This weekend culminates six weeks of fund-raising activities and preparation by the freshman women. Proceeds from the weekend and previous fund-raising projects will be donated to charity.

Campus calendar

FRIDAY, MARCH 23

Sutcliffe: Free pool.

Campus Crusade: TAG (Talk About God), 7 p.m., Chapel.
